The Copa Libertadores & Nationality Adjectives (Part 1)

Vocabulary

Look at the countries on the map. What are the nationality adjectives. Two have been done for you.

Country (noun)	Nationality (adjective)
Brazil	- Brazilian
Argentina	- Argentinian (or Argentine)
Peru	-
Columbia	-
Ecuador	-
Bolivia	-
Chile	-
Uruguay	-
Paraguay	-
Venezuela	-

Reading

Fill in the passage below with words from the box.

Last week we looked at South Africa, this week we visit South America and the continent's biggest club competition the Copa Libertadores. The semi-final places were decided this week, and it's an all \_\_\_\_\_ semi final on one side with Gremio taking on Cruzeiro. the other semi sees \_\_\_\_\_'s Estudiantes take on Nacional from \_\_\_\_\_. It's the first time for twenty years since a \_\_\_\_\_ team has been in the semi-finals of the Copa, but it will be difficult for them to beat the \_\_\_\_\_ team Estudiantes, who haven't conceded a goal since the knockout stage began. As for the teams from \_\_\_\_\_, Gremio qualified for the knockout rounds as top seeds and will be quietly confident of beating Cruzeiro, who are struggling in the domestic league, and perhaps lifting the trophy for the third time in their history.

**Uruguay   Brazilian   Argentina   Brazil   Argentinian   Uruguayan**

## Season 2008 / 9 - Post (ANSWERS)

#### Reading

Fill in the passage below with words from the box.

Last week we looked at South Africa, this week we visit South America and the continent's biggest club competition the Copa Libertadores. The semi-final places were decided this week, and it's an all **BRAZILIAN** semi final on one side with Gremio taking on Cruzeiro. the other semi sees **ARGENTINA**'s Estudiantes take on Nacional from **URUGUAY**. It's the first time for twenty years since a **URUGUAYAN** team has been in the semi-finals of the Copa, but it will be difficult for them to beat the **ARGENTINIAN** team Estudiantes, who haven't conceded a goal since the knockout stage began. As for the teams from **BRAZIL**, Gremio qualified for the knockout rounds as top seeds and will be quietly confident of beating Cruzeiro, who are struggling in the domestic league, and perhaps lifting the trophy for the third time in their history.

**Language Note:** As you can see, the nationality adjectives of the CONMEBOL nations are variations of **~(a)n/~ian**. This is a common suffix in English for nationality adjectives. Other examples include Canadian and Australian
